MINORITY

We produce Vegetarian/Vegan shelf stable, All Natural, Ready to Eat foods, mostly, Beans, Vegetables, Quinoa and Rice, in flexible pouches and cans in Philadelphia. We only use ingredients that are used in home Cooking ! Consumer size packs are 8-15 oz and Food Service packs are 2-4 lb. Our Indian style foods are true to Indian taste while our Global style Quinoa, Rice, Beans, Hummus etc. are made in home style of that region. Our foods offer great convenience at home and for travelers, backpackers and campers. Our patented bean cleaning technology, licensed to Hormel Foods and others, distinguishes our bean based products from others, and is the heart of our business. Our Foods are sold nationwide and in Canada, and have been sold at Whole Foods since 1980. We supply Vegetarian Foods to Airline caterers, like Gate Gourmet, LSG SkyChefs and Flying Foods.

PRIVATE LABEL

This is now a major part of our business. We have invented rice cooking technology, patent pending, which along with our bean cleaning technology, allows us to produce rice, beans, vegetables, and various blends including Quinoa and other grains in pouches of exquisite, nutritious foods.

FACILITIES AND EQUIPMENT:

Our 50,000 ft² plant is located near the Philadelphia Airport, off I-95. We have four FMC Steam-Water Spray retorts and four vertical steam retorts. Several pouch and can filling and sealing machines, large and small steam kettles, Bean cleaner, drive-in freezers and labeling and palletizing equipment are on hand.

EXPERTISE:

Vijai Gupta, PhD, CEO: Inventor of 24 US patented technologies.

Advisor to U.S. Secretary of Agriculture on Technical Issues (2005-2009). Member of Grocery Manufacturers Association "Advisory Council" and "Process Technologies Committee". DuPont 'Distinguished Speaker Series' speaker.

Invited speaker at the World Conference on Food Technology Innovations. Institute of Chemical Technology Visiting Fellow.

Jyoti Gupta, Registered Dietitian, MS (Nutrition), President

former Chief Clinical Dietitian, Philadelphia Naval Hospital. Recognized by the American Dietetic Association (ADA) as a role model for young dietitians. Holds Food Processing and Food Safety Diplomas from U. California and Rutgers U.

Sunil Manchanda: MBA. 30 + years of worldwide Food & Beverage Marketing.
